

RIDE

New Rules

Lead me
Down the wrong path
You can steer me
I'll never look back

Feed me your lies, you know that I'll bite on it
Roll of the dice, just give me the high
Stop wastin' my time

Take me for a ride
Say we'll never slow down
I'ma let it slide
So throw me to the wolves now
Fuck with my head, tear up my heart
Baby, I know how it ends, but still wanna start
Take me for a ride
Say we'll never slow down

Take me for a ride
Take me for a ride

Give me hell and
I'll still forgive you (I'll still, I'll still forgive you)
But just don't tell me
I can do what I want if I can't do it with you

Take me for a ride
Say we'll never slow down
I'ma let it slide
So throw me to the wolves now
Fuck with my head, tear up my heart
Baby, I know how it ends, but still wanna start
Take me for a ride
Take me for a ride

Feed me your lies, you know that I'll bite on it
Roll of the dice, just give me the high
Stop wasting my time
Stop wasting my time

Take me for a ride
Say we'll never slow down
I'ma let it slide
So throw me to the wolves now
So throw me, throw me, yeah
Fuck with my head, tear up my heart
Baby, I know how it ends, but still wanna start
Take me for a ride
Take me for a ride

Oh, oh woah-oh, oh
Gonna take me for a ride, ooh-ooh-ooh
Oh, oh woah-oh, oh
Take me for a ride
Take me for a ride (Oh, oh woah-oh, oh)
Take, take me for a ride
Take me for a ride, oh woah-oh, oh
