

# Unbreakable

New Years Day

I'm stronger than you know  
I won't shatter  
I won't shatter

I know you like a fight  
I know you like to lie  
I'm not gonna take it one more night  
Back me against the wall  
Toss me like a ragdoll  
You can't break me

Cuz I've been feeling trapped for way too long  
Feeling like I can't untie  
What's been keeping me down and on my knees  
But you don't know me  
(You don't know me)

I am stronger than you know  
Cause unbreakable pieces don't shatter  
I won't shatter  
You can't shatter me now  
I am taking back my life  
And putting myself back together  
I won't shatter  
You can't shatter me now  
I'm unbreakable

I stepped on broken glass  
Walking through the past  
Feeling every cut that crippled me  
Been through it all before  
Won't go back anymore  
I've gone too far

And I've been waiting here for way too long  
Feeling tears that just won't dry  
I opened up my eyes once when I was blind  
Now I'm holding onto night  
(Holding onto night)

I am stronger than you know  
Cause unbreakable pieces don't shatter  
I won't shatter  
You can't shatter me now  
I am taking back my life  
And putting myself back together  
I won't shatter  
You can't shatter me now  
I'm unbreakable

I am stronger than you know  
I won't shatter  
I won't shatter

I am stronger than you know  
Cause unbreakable pieces don't shatter  
I won't shatter

You can't shatter me now  
I am taking back my life  
And putting myself back together  
I won't shatter  
You can't shatter me now

You can't shatter me now  
Unbreakable  
You can't shatter me now  
I am taking back my life  
And putting myself back together  
I won't shatter  
You can't shatter me now  
I'm unbreakable
