

How

NewDad

Never ending days
Living in a constant haze
I wish you could stay here with me
I guess I liked you to a certain degree
And I know I should feel bad
But this situation is just making me sad
You were a risk I couldn't take
Now this is giving me a headache

How is it that I'm thinking about you now
There's a time and a place
This isn't it
I'm in the wrong head space
How is it that I'm thinking about you now
There's a time and a place
This isn't it
I'm in the wrong head space

Mostly sleepless nights
But I can't even turn out the lights
I don't want to fall asleep
Don't want to have another secret to keep
Like that I dreamt of you again
How am I supposed to pretend
That I'm not what I seem
I just wish I didn't dream

How is it that I'm thinking about you now
There's a time and a place
This isn't it
I'm in the wrong head space
How is it that I'm thinking about you now
There's a time and a place
This isn't it
I'm in the wrong head space
