

Let Go

NewDad

I see all the hurt in you
Why don't you give it to me?
Anything, to see you smile
I'll take the penalty
I throw it on my shoulders
You will grow older
I wish I, could take your place down there
To show I care

You can't let go
You can't let go
You can't let go
You can't let go
You can't let go

I can't let go
I can't let go
I can't let go
I can't let go

You don't want to be down here
You don't want to disappear
Engulfed in flames
Don't know your name
And there's so much to fear
And I think it's really nice that you, do fight my fights
But you should know, I can't just let go

I can't let go
I can't let go
I can't let go
I can't let go
I can't let go
I can't let go
I can't let go
I can't let go
I can't let go

I can't let go
I can't let go
I can't let go

I, I, I, I, I, I, I...
I can't let go
I can't let go
I can't let go

I can't take it
I can't take it
I can't take it
I can't let go
I can't let go
I can't let go
