

## Mr Cold Embrace

NewDad

Stand before the water  
Stare at the reflection  
Kneeling at the altar  
Hope I get to heaven  
Miss her cold  
Embrace

Noisy and severe  
His heir is spoilt and weighted  
And people disappear  
Am I gonna make it  
Miss her cold  
Embrace  
Don't know if  
I should've left her

Comfort me  
Save me  
Comfort me  
Save me  
I'll just keep praying  
You'll comfort me

And she can be so cruel  
Careless and blind  
And he can be so brutal  
Sore and unkind  
Miss the cold embrace  
Don't know if I should've  
Left her

Comfort me  
Save me  
Comfort me  
Save me  
I'll just keep praying  
You'll comfort me
