

Swimming

NewDad

One more drink
Knock it back
Do you want to swim or sink?
I want to drown
I want to drown it out
The noise, the people
I don't care about

Now I feel fucked
I feel fucked
I feel fucked
I feel fucked

It's easy now
To tell you how I feel
I'll scream it out
Won't somebody stop me now
Stop these words
From coming out my mouth

Now I feel fucked
I feel fucked
I feel fucked
I feel fucked

One more drink
Knock it back
Do you want to swim or sink?
I want to drown
I want to drown it out
The noise, the people
I don't care about

Now I feel fucked
I feel fucked
I feel fucked
I feel fucked
