Made a little cookie
Baked it just for you, this treat
But you know that it ain't for free, yeah

Made a little cookie
Softer than a brownie
Living in your head rent-free

With chocolate chips, you know
I wanna sprinkle all over
And ruin your appetite
I'm hiding but I really wanna see your face

If you want it
You can get it
If you want it
Let me hear you say you want it more, boy

No dinner, dinner, you're hungry though
No water, water, you're thirsty though
Sweet sugar, my my, dessert, my my
That's how you like it, ain't that right?

No dinner, dinner, you're hungry though
No water, water, you're thirsty though
Sweet sugar, my my, dessert, my my
That's how you like it, ain't that right?

Made a little cookie
Pick your poison, it's on me
I'll melt your heart away
So good, yeah

Looking at my cookie
Yeah, the scent alone will make you see (Taste it)
You can't stop at one bite with me

With chocolate chips, you know
Sprinkles, oh
You'll lose your mind till you don't want other tastes
I'm hiding but I really wanna see your face

If you want it
You can get it
If you want it
Let me hear you say you want it more, boy

Make recipes that you won't see anywhere else, boy

Take it
Don't break it
I wanna see you taste it
Sugar, got sugar
Spare nothing when I bake it

Bet you know
Bet you know
Bet you know I
Make all the things that will ruin your diet

Take it
Don't break it
I wanna see you taste it
Sugar, got sugar
Bet you want some
