I'm not gonna be the one to get hurt

When I'm feeling all alone
Pull your name up on my phone
I start typing what to say
I won't send it anyway
Dragging words out one by one
From your fingers is no fun
Wait in silence, that's my way
But I'm not like this every day

I'm not into games, not gonna play
Not into your ways
But I'm never gonna break, no
Don't want you to just say the words
You should come and show me first
You should come and show me first
'Cause I'm not gonna be the one to get hurt

Hurt (nah, nah)
I'm not gonna be the one to get hurt
Hurt (nah, nah)
I'm not gonna be the one to get hurt
Hurt (oh, oh, ooh)
I'm not gonna be the one to get hurt
(Oh, oh, ooh)
I'm not gonna be the one to get hurt
(Oh, oh, ooh)
I'm not gonna be the one to get hurt
(Oh, oh, ooh)

Every night now before bed
And when I wake up again
Silent phone here in my hand
Nothing from you, I just can't
Dragging words out one by one
From your fingers is no fun
Wait in silence, that's my way
But I'm not like this every day

I'm not into games, not gonna play
Not into your ways
But I'm never gonna break, no
Don't want you to just say the words
You should come and show me first
You should come and show me first
'Cause I'm not gonna be the one to get hurt

Hurt (nah, nah)
I'm not gonna be the one to get hurt
Hurt (nah, nah)
I'm not gonna be the one to get hurt
Hurt (oh, oh, ooh)
Hurt (oh, oh, ooh)

Feeling far away
Come a little closer, hey
But if you're unsure
I'm not gonna be the one to get hurt

But if you're unsure
I'm not gonna be the one to get hurt
