My heart is glowing, it's glowing
My heart is glowing up
So I can't sleep at night

This song it's about you baby
Only you
You you you
You you you you

When I'm down
Feel like I'm crying
When I can't even
Pretend to be okay
It's you, you worry about me
It's you, you make me laugh
No need to say
Boy what do you say

(They keep on asking me, "who is he?")
You're only one call away
(They keep on asking me, "who is he?")
You show up with no hesitation
(They keep on asking me, "who is he?")
Can this be real?
(They keep on asking me, "who is he?")
You really are
He's the one that's living in my system baby

Oh my oh my God
I knew this would happen
I was really hoping
That he will come through
Oh my oh my God
It's only you

Asking all the time about what I should do

No I can never let him go
I only think of you 24
I'm a lucky girl I know, I know
Before I met you
Everything was pointless
My feeling is boundless I know, I know
I'm going crazy right?

Wherever
Whenever
There ain't nothing else that
I would hold on to
I hear his voice
Through all the noise
Don't let go of my hand for one second no, no

Got no worries
'Cause I got someone
It's okay to be alone
'Cause I love someone

(They keep on asking me, "who is he?")
You're only one call away
(They keep on asking me, "who is he?")
You show up with no hesitation
(They keep on asking me, "who is he?")
Can this be real?

(I'm going crazy right? baby)
(I'm going crazy right? baby)

You and me
My heart is glowing
It's glowing up
With you, nothing can scare me
All filled up, all filled up (all red now)
My heart is glowing, it'd be glowing
'Cause he

Oh my oh my God
I knew this would happen
I was really hoping

That he will come through
Oh my oh my God
It's only you
Asking all the time about what I should do
No I can never let him go
He's right there for me 24
I really am a lucky girl, I know, I know
Before I met you
Everything was pointless
What should I do

My heart is glowing, it's glowing
My heart is glowing
So I can't sleep at night
