

Up Up and Away

Newton Faulkner

You, I gotta slow down
I'm hitting the ground
And I know it isn't right
To scratch and fight another day

You are all that I want
But you're not what I need
And I know it's probably time
To find another melody

(2x):

Come on, come on I gotta get away
Save all the bullshit for another day
G-get me a t-ticket and an alibi
There's nothing holding me down so teach me how to fly

Here we go
Up Up and Away
Here we go
Up Up and Away
Here we go
Up Up and Away. Away, away, away, ee-ee

You, get out of my way
Get out of my face
And I know it isn't right
To hold so tight to yesterday

I go wherever I want
Wherever I please
I look forward to the day
Where this is just a memory

(2x):

Come on, come on I gotta get away
Save all the bullshit for another day
G-get me a t-ticket and an alibi
There's nothing holding me down so teach me how to fly

Here we go
Up Up and Away
Here we go
Up Up and Away
Here we go
Up Up and Away. Away, away, away, ee-ee

(2x):

Come on, come on I gotta get away
Save all the bullshit for another day
G-get me a t-ticket and an alibi
There's nothing holding me down so teach me how to fly

Here we go
Up Up and Away
Here we go
Up Up and Away
Here we go

Up Up and Away. Away, away, away, ee-ee
