

Sweet Grace

newworldson

Mercy and Faith and their little sister Grace
Grew up in a home under the stars
There was kindness, there was love
In the warmth of Father's place
But that wasn't enough for little Grace

She heard about the world but she'd never seen its face
Just bedtime stories Faith and Mercy told
In the morning she was gone, she had left without a trace
No time to say goodbye to little Grace

Where will you go? Where will you go?
Walking down that road on your own
Where will you go? Where will you go?
Sweet Grace, sweet Grace, sweet Grace
Sweet Grace, sweet Grace, sweet Grace

The world was big and wide and it ran from wrong to right
Trouble wasn't ever far away
But every heart and soul she took in her embrace
That's why people sing 'bout little Grace

Where will you go? Where will you go?
Walking down that road on your own
Where will you go? Where will you go?
Sweet Grace, sweet Grace, sweet Grace
Sweet Grace, sweet Grace, sweet Grace

Faith was always sure that she'd come home
Mercy only asked that she be left alone
Father thought about her everyday
But he knew the world needed amazing Grace

Where will you go? Where will you go?
Walking down that road on your own
Where will you go? Where will you go?
Sweet Grace, sweet Grace, sweet Grace
Sweet Grace, sweet Grace, sweet Grace
