

## Sweet Holy Spirit

newworldson

Pride is weighing me down  
It's choking my heart  
I'm chained up and bound  
If pride is my prison  
Then Grace be my key  
Sweet Holy Spirit  
Come rescue me

Spirit Spirit I surrender  
Spirit Spirit I submit to you now  
Spirit Spirit I surrender  
Spirit sweet Holy Spirit

Spirit Spirit I surrender  
Spirit Spirit I submit to you now  
Spirit Spirit I surrender (I surrender)  
Spirit sweet Holy Spirit

You know for so long I was a drowning man  
I was hopeless and lost at sea yes I was  
But Lord you threw me a line  
Brought me back to your shore  
Now I can feel the light from your lighthouse  
Shining down on me yes I can

Worry oh what can I say  
I've worried so much  
I forget how to pray  
Well I'm down on my knees  
And this is coming from my soul (Yes, it is.)  
Sweet Holy Spirit  
Come make me whole

Spirit Spirit I surrender  
Spirit Spirit I submit to you now  
Spirit Spirit I surrender  
Spirit sweet Holy Spirit

Spirit sweet Holy Spirit
