(Next)

2 in the morning, 2 in the morning  
I just rolled over  
I was just yawning  
I checked my phone and there you were  
Looking all sexy and...  
Looking all good in them pics  
(And you know) Knowing that I'ma wake up  
I'ma be on my way quick

'Cause you the type of girl  
That'll have me do anything  
To get to you  
You the type of girl  
That'll have me drop everything  
To be with you  
If you want me to

Whenever you need it (Yeah)  
Whenever you need it  
Just hit my line  
I promise I'll be there  
No matter how far away  
Baby I'll find a way  
Does something to me  
Every time I hear you say

I want it, I want it  
All you gotta do is say  
And I'll be on my way  
I want it, and I want it  
Just tell me what you need  
You can count on me

Turn the lights on, turn the lights on  
So I can see, see your body  
See you naked, coming to me

(Right now) So I can be loving you  
(Yeah) touching you, holding you (yeah)  
And giving you all of this  
Jell-O Pudding Pop like I am Cliff Huxtable

'Cause you the type of girl  
That'll have me do anything  
To get to you  
You the type of girl  
That'll have me drop everything  
To be with you  
If you want me to

Whenever you need it (Oh)  
Whenever you need it (Yeah)  
Just hit my line  
I promise I'll be there  
No matter how far away

Baby I'll find a way  
Does something to me  
Every time I hear you say

I want it, I want it  
All you gotta do is say  
And I'll be on my way  
I want it, and I want it  
Just tell me what you need  
You can count on me

All you gotta do is call my phone  
Wherever you are girl and I'm on my way  
No matter where you are I'll be on my way  
As soon as I get the message and I hear you say

Baby ('Cause I want it, I want it)  
(Ooh, as soon as I get the message and I hear you say)  
I want it, and I want it  
(Tell me what you need, you can count on me)  
Whenever you need it (Oh)  
Whenever you need it (Yeah)  
Just hit my line  
I promise I'll be there  
No matter how far away  
Baby I'll find a way  
Does something to me  
Every time I hear you say  
I want it, I want it  
All you gotta do is say  
And I'll be on my way  
I want it, and I want it  
Just tell me what you need you can count on me
