Now is the time
Here is the place
Yumemita koto in my face
Gotta hold on
Keep movin' on
Subete o kakete

Zenshinzenrei komete nerau one shot, just remember
Massugu ni to the stars, no brake, no stop
Zero kara come this far, noboru dake sa
Iranai fears, agete gears 'til I get there

Ano koro zutto nagamete ita
Keshiki wa motto tōku miete ita

Mewotojite mo senmei ni right now
