

One Bite

NEXZ

Shizuka ni iki o koroshita days
Dare ka ni awasete kurū pace, oh, no
Gotta break the rules
Kamen no shita ni kakureteita face
Mune harenai kiokutachi erase
Catch my breath real slow

Reru pressure (Can't stop)
Kabe aru hō e (Move ahead)
Mubōna hodo hikareteiku
Te ni oenai (Too much)
Tsunoru kitai (So what?)
Call me, call me, call me, call me a freak

One bite, that's right
Hitokuchi de with the hot spice
No mask, ain't no disguise
'Cause I won't, I won't, I won't, I won't stay the same
I'll end this game, I'm done playin' nice
One bite, that's right
One bite, just right

Take a bite, take a bite, only (One bite)
