

## Your Grace

NF

Yeah sometimes  
I feel like  
(Feeling like I lost my mind)  
Always close  
But I never been to you  
And then the next moment  
It's like I'm running from you  
And I'm sorry  
My hearts supposed to be  
But sometimes that's all I have  
Forgive me  
I feel lost in my mind  
Yes, another pain in my head  
I feel so broken inside  
With memories I'm trying to forget  
I don't feel like I used to  
Matter of fact not even close  
I don't feel right  
Yet I choose to  
To go to a place I don't know  
Maybe I'm crazy  
Maybe I'm not  
I feel like I'm out of control  
And God I need you  
Right now  
I never should've let you go  
Now I'm just so out of control

And now I don't know who I am  
This was never my plan  
This is the way I was supposed to be  
I took it out of your hands  
I took a chance  
But how am it supposed to see  
When I'm blinded  
When I'm broken  
Looking for a way to escape  
I can't find it  
But then I'm reminded of your grace  
Of your grace

I thought I was fine  
I guess not  
If I was I wouldn't feel this way  
If I was okay  
And I was so perfect  
Then why do I feel so ashamed  
And I'm no liar in my head  
Screaming I don't need any help  
I say I'm trying yet in the air  
I'm only telling lies to myself  
I say I want answers  
Complaining  
I'm just looking for truth  
And yes I got problems  
Which I got 'em  
I seem like I blame on you

It's like I don't know what to do

And now I don't know who I am  
This was never my plan  
This is the way it was supposed to be  
I took it out of your hands  
I took a chance  
But how am I supposed to see  
When I'm blinded  
When I'm broken  
Looking for a way to escape  
I can't find it  
But then I'm reminded of your grace  
Of your grace

Lord forgive me  
I feel so cold  
Living in the wrong  
Yeah here I go  
I don't want to cry  
I don't want to show all the emotion  
I got froze  
I don't know how say this  
Easy  
But can I can I man me  
I don't see me  
I don't see the things I used to know  
Swore to myself  
Never let you go  
Here I go  
Pain again  
Here I go  
Plan retain  
Acting like I'm fine  
When in my mind I'm just breaking  
Looking for a reason  
Wonder why I'm breathing  
Why did my momma had to die  
Lord Jesus  
I don't understand this  
I ain't never planned it  
My plan did never involved  
We feeling trashed it  
I feel like I keep falling down  
Lord please help me up  
I've had enough

And now I don't know who I am  
This was never my plan  
This is the way it was supposed to be  
I took it out of your hands  
I took a chance  
But how am I supposed to see  
When I'm blinded  
When I'm broken  
Looking for a way to escape  
I can't find it  
But then I'm reminded of your grace  
Of your grace
