N.Flying

Ha-ha, yo, let's bounce
Are you ready for this?
Because I am, let's go

I do me and you do your thing because I don't care
Doesn't matter who you are because I don't care
I never give up, so get out of my way
I gotta work it, work it, like Iggy twerking everyday

Don't mess around
You will never, can't make me bow down
Don't stop me now
I gotta go turn my music up loud
I'm so sorry, I'm a bad boy with an attitude, right
My phones be ringing and my clock be ticking
Gotta move on, let's go, come on

Go ahead, go ahead
You gotta do your thing
Nothing is impossible, now, you bounce
Jump up and down, come on

It ain't that harsh, keep it up, baby
Just do your thing, gotta keep it up and bounce, baby
This world is yours, play this song and sing along, baby
Call your friends and tell 'em it's party time, let's go crazy
You know how we get down (You know how we get down)
Yeah, that's my style (Yeah, that's my style)
Let's get it, pop (Pop, pop)
Bring it, baby, party tonight (All right)

I already told you once, I don't care what people say
I love the freedom, baby, you know I'm no slave
I always do my best (All right)
I never die, Wolverine (All right)
Walk in my way, I'm always awake, uh, yes, I am

Don't mess around
You will never, can't make me bow down
Don't stop me now
I gotta go turn my music up loud
I'm so sorry, I'm a bad boy with an attitude, right
My phones be ringing and my clock be ticking
Gotta move on, let's go, come on

Go ahead, go ahead
You gotta do your thing
Nothing is impossible, now, you bounce
Jump up and down, come on

It ain't that harsh, keep it up, baby
Just do your thing, gotta keep it up and bounce, baby
This world is yours, play this song and sing along, baby
Call your friends and tell 'em it's party time, let's go crazy
You know how we get down (You know how we get down)
Yeah, that's my style (Yeah, that's my style)
Let's get it, pop (Pop, pop)

Bring it, baby, party tonight

Let's get it on, ooh, ooh, ooh
Let's get it on, ooh, ooh, ooh
Let's get it on, ooh, ooh, ooh
Let's get it on, ooh, ooh, ooh-oooh, ooh
Let's get it on, ooh, ooh, ooh
Let's get it on, ahh, yeah

Live your life, baby, you won't lose
I believe in you, you can do it
Keep your head up, yeah, you won't lose
Life is a struggle, get used to it now
Go get it, girl, right
Don't even try to mess around, let's do it

It ain't that harsh, keep it up, baby
Just do your thing, gotta keep it up and bounce, baby
This world is yours, play this song and sing along, baby
Call your friends and tell 'em it's party time, let's go crazy
You know how we get down (You know how we get down)
Yeah, that's my style (Yeah, that's my style)
Let's get it, pop (Pop, pop)
