Oh my Blue Moon

Like my heart was taken by a blue moon
Like you and I were alone on Earth
If this moment is so fleeting
Let's freeze it in place forever
It's okay if you get sick of it
Hear me out, my blue moon
Oh, my blue moon

If these faint words
Could only reach you
From the boredom of daily life
I push myself outside
Like a mystical dream
I only have eyes for you
These feelings I want to tell you all day long

I'm in anticipation for no reason
Behind this door, somehow
It waits with bated breath

Amid the bluest days
The dazzling scent of the night claims me
With your beautiful spirit
Let me gaze into eternity
So that, bewitched by this landscape
My body can sink through
Please, bluest moon
Fill your lonely heart to the brim, hey

Ta-ra-ra-ra-ra, ta-da-da-da-da
Ta-ra-ra-ra-ra, ta-da-da-da-da
Ta-ra-ra-ra-ra, ta-da-da-da-da
Oh, my blue moon (Ta-ra-ra-ra-ra, ta-da-da-da-da)

Yeah, how many paths have we walked down
You were my youth
Say something you don't believe in
Shape of my heart
We fit like puzzle pieces
I keep getting cowardly
So I package it up so prettily
No one gets us
Parting can't escape us
Let's not be annoyed
Let's just say it and be happy
No more than a few days
I'll miss it madly, someday
Are you still waiting where I used to be?

I'm in anticipation for no reason
Hiding behind this door
It waits with bated breath

Amid the bluest days
The dazzling scent of the night claims me
With your beautiful spirit
Let me gaze into eternity
So that, bewitched by this landscape
My body can sink through
Please, bluest moon
Fill your lonely heart to the brim

You know why
For a long time
I've loved you so much
Perhaps that's my eternity, yeah
If like the flash of a dream
The moonlight was to vanish
It lingers in my heart, hey, hey, hey

Amid the bluest days (Hey)
The dazzling scent of the night claims me
With your beautiful spirit
Let me gaze into eternity
So that, bewitched by this landscape (Oh-oh)
My body can sink through
Please, bluest moon
Fill your lonely heart to the brim, hey

Ta-ra-ra-ra-ra, ta-da-da-da-da
Ta-ra-ra-ra-ra, ta-da-da-da
Ta-ra-ra-ra-ra, ta-da-da-da-da
Oh, my blue moon (Ta-ra-ra-ra-ra, ta-da-da-da)
