HOW R U TODAY

HOW R U TODAY
How are you doing?
HOW R U TODAY
Seems like I'm the only one like this
Don't tell me to forget
Don't tell me to erase
My heart won't listen to me

It's meaningless
Whatever I do, it's no fun
In my days without you, I can't sleep
It gets worse as the days go by
Memories of you grow thicker
My heart won't listen to me

Oh baby How are you
Oh baby How are you

SO HOW R U TODAY
I hope you'll feel me in just one moment
A feeling that only you can give me
As if everything was erased, you left me

HOW R U TODAY
How are you dong?
HOW R U TODAY
Seems like I'm the only one like this
I wanna go back to you
Back to the times when we were in love
HOW R U TODAY

How are you? How are you
A flower-like ending, it's bye bye now

If this was going to happen, you shouldn't have given more to me
You looked back at me too, cause you love me
We're far from perfect
So don't go away
Don't wither, girl you be like a flower
You know, I'm always behind you
I'll be a bright light next to you

Oh baby How are you
Oh baby How are you

SO HOW R U TODAY
I hope you'll feel me in just one moment
A feeling that only you can give me
As if everything was erased, you left me

HOW R U TODAY
How are you dong?
HOW R U TODAY
Seems like I'm the only one like this
I wanna go back to you
Back to the times when we were in love
HOW R U TODAY

Like a tree you can lean on
You can rest under me
Don't get far away my baby
Like a breeze that gives you rest
I linger around you in the air
Drawing you out
SO HOW R U TODAY

HOW R U TODAY
How are you dong?
HOW R U TODAY
Seems like I'm the only one like this
I wanna go back to you
Back to the times when we were in love
