□□□ □□ You and I
Can't be better than this

My heart is fluttering more today
Do you know?
Just by looking at each other
I Know U Know I Know

You acted coy as you came to me and closed your eyes
I took one step closer
Then we stopped, you and I
Can't be better than this

Be better than this ya

Oh yeah yeah yeah
Days that didn't exist before, Remember this way
Oh yeah yeah yeah
Times I spent with you

Oh yeah yeah yeah
Don't forget a single day Baby
Oh yeah yeah yeah
Time to get honest with each other

Yeah yeah clouds like pink cotton candy
Your groove is naturally in me
As we match footsteps
Time is tickin'
Time separated us far apart

Can't say this is our fault
When you look at me with sad eyes
I wished everything would go back
I couldn't say anything
Back to those hot days
When passion overflowed
It still remains just as it is
Your love on my mind, just for a moment
Take me away, time
Cause I wanna you and I

You acted coy as you came to me and closed your eyes
I took one step closer
Then we stopped, you and I
Can't be better than this

Be better than this ya
Oh yeah yeah yeah
Days that didn't exist before, Remember this way
Oh yeah yeah yeah
Times I spent with you

Oh yeah yeah yeah
Don't forget a single day Baby
Oh yeah yeah yeah
Time to get honest with each other

I'm turning back time to see you
I know I can't go
But I want to linger near and ask you
What do you think about this fluttering feeling?

My attraction to you
The momentary trembling
I want to give you everything tonight

Oh yeah yeah yeah
Days that didn't exist before, Remember this way
Oh yeah yeah yeah
You know, you and I, You and I

Oh yeah yeah yeah
Don't forget a single day Baby
Oh yeah yeah yeah
Can't be better than like this

You acted coy as you came to me and closed your eyes

I took one step closer
Then we stopped, you and I
Can't be better than this
