□ □□□

Oh really  
I didn't meet you  
To hear those words  
Oh really, oh really  
Let's say you're right  
Oh really, really, really, really

I'm serious  
I want to know how you feel  
Am I just lonely  
Am I biased  
Broke broke  
I live (lived) with a broken heart

Please don't go I'm lonely  
Freakin' hard to say goodbye  
Even I can't understand myself  
What an embarrassment

Oh really  
Really  
I'm a mess  
Stop pretending  
Speak honestly for me  
Oh really, oh really

Oh really  
Yes, really  
Even if you can't look at me all the time  
At least love me now  
Oh really, oh really

Oh really  
My love, please open your eyes  
Am I not the one you've been searching for  
You look tired to the point of death  
Am I being selfish?  
I'm ready to dedicate myself to you  
Oh really, oh really

Boohoo, boohoo, boohoo, boohoo  
Stop being a baby  
I'm too old for this, peace out  
I'm turning 30 soon  
But I act tough in front of younger friends  
Everything feels pointless  
Work is piled up  
Interpret it for me, I'm going crazy so save me

Please don't go I'm lonely  
Freakin' hard to say goodbye  
Even I can't understand myself  
What an embarrassment

Oh really  
Really  
I'm a mess  
Stop pretending  
Speak honestly for me  
Oh really, oh really

Oh really

Yes, really  
Even if you can't look at me all the time  
At least love me now  
Oh really, oh really

Oh really  
Fine, goodbye  
Freakin' hard to say goodbye  
Even I can't understand myself  
What an embarrassment

Oh really  
Really  
I'm a mess  
Stop pretending  
Speak honestly for me  
Oh really, oh really

Oh really  
Yes, really  
Even if you can't look at me all the time  
At least love me now  
Oh really, oh really

Oh really  
It's hard to let you go  
Oh really, oh really  
(Freakin' hard to say goodbye)  
Please just get up and leave first  
Oh really, oh really  
(Freakin' hard to say goodbye)  
Oh really
