Please, don't walk away
No way back, there's no way back
Come on, baby, I don't wanna let go
Hold my hand again
I don't want to see your back
Baby, should I really just let you go?
Please, don't walk away

Everything is breaking apart
Baby, why you breaking my heart?
Stop saying it's the right time
Because I think it is wrong
Yes, I am struggling, hardly breathing
My heart be beating very heavily
Please, tell me you will never leave
I know you are lying, okay, you got me now, you smile
I'm trying, I wanna let you go, but am I gonna be fine?
Should I forget everything like you never lived in my heart?
Should I find another women like I never fell in love? Hah?
