□ □□□ □□□ □ □□ □□

I was wrong, I begged for a while

I cried then laughed and was lost alone

It was day and the night came

But I'm still alone, my heart is sad again today

Without you, I have a green light with all girls

But you still shine like the moon even when I'm alone

Oh yeah she like

Are you a fox?

I'm deleting all of your memories that used to live

I just left my head all crumpled up

Don't misunderstand, you're already loose

I don't know what goodbye is

Love is always suffocating

Goodbyes are only full of sighs

Rollin, rollin, nothing is for you

Just ninano

Even if you leave, I'm gonna be fine  
You can shed all the tears you want  
It's too late now even if you regret it babe  
You'll always live in my memories now

Hey lady don't ask anymore, just forget me  
The answer is obvious, you're the only one who will be sad girl  
No one can leave me then turn things around

It's sad, it's sad, it's sad  
It's sad, it's sad, it's sad

Yeah I'm not lonely girl  
I'm so very good  
Curious about other girls

It's sad, it's sad, it's sad  
It's sad, it's sad, it's sad

Don't turn around, just go  
Don't even call me, say goodbye

I'm gonna be  
I'm gonna be, your love  
I'm gonna be, your love  
Yeah I can't feel anything

Rain falls, like tears falling  
The sun rises, walking opposite of me  
You always used to say no, hey yeah  
Shh, you so late, I'm too tired to think of you  
Shh, you so late, the curtains have fallen  
I'm gone babe

The night is deep but I'm not lonely  
Being alone without you is more comfortable  
My heart is so tired, I wanna rest now  
You'll always live in my memories now

Hey lady don't ask anymore, just forget me  
The answer is obvious, you're the only one who will be sad girl  
No one can leave me then turn things around

It's sad, it's sad, it's sad  
It's sad, it's sad, it's sad

Yeah I'm not lonely girl  
I'm so very good  
Curious about other girls

It's sad, it's sad, it's sad  
It's sad, it's sad, it's sad

Don't turn around, just go  
Don't even call me, say goodbye
