N.Flying

I will be there for us
Tobitatsu it is time to go
Take it easy
Let me breathe deeply right now

Nē tatoeba don'na
Tsuyoi kaze no naka demo
Keep my eyes ahead
Don't be afraid of mistakes

Tell me what you think
Dare no tame no life
The sun also rises on you
Yogaakeru tsubasa hiroge
Sāikō ashita no hō e
Atarashī bokura dake no another place
You bring me up
Don't bring me down
Sukoshi kowaikedo

Bokura no koe it never ends
Doko made demo carry on
Spread my wings
Ride in the wind
Utsukushiki aozora

I am always with you
Kikoeru kai you are not alone
Boku ni datte kimi ni datte the same

Kore wa this is hajimari no uta
Omoi o nando mo tashikameru
Merodī ni nose

Sāikō ashita no hō e
Atarashī bokura dake no another place
You bring me up
Don't bring me down
Sukoshi kowaikedo
Bokura no koe it never ends
Doko made demo carry on
Spread my wings
Ride in the wind
Utsukushiki aozora

Habataku no sa go away
Hai shī asayake no sekai e
You bring me up
Don't let me down
Mada kowaikedo
Dare yori no fate that's everything
Kawaranai kono yume
No one can stop to overflow

Here we go haruka mukō e
Subarashī bokura dake no outer space
You bring me up

Let's go with me
Nani mo kowakunai
Bokura no koe it never ends
Itsu made mo never fade out
Once more again
It's more than words
Hibiki au utagoe
