I feel so amazing
Feels like I've been waiting for you
Cuz of our chemistry yeah
(Alright alright)

1 minute feels like 1 second
I'm falling into your eyes
I can't escape (oh yeah)

Wake up
I discovered you in one moment
Wait right there, my dream girl, oh yeah
Bells ring in my head
She's the real deal

Feels good
Wo oh, she's the real deal
Really really good
She's different
Wo oh, she's coming
Really really
She's the real deal

You make me crazy
I'm falling
You drive me crazy
Yeah wo oh
She's the real deal

Yeah there's a smile on my face
Only melt into me
You're seriously my type
(Oh yeah)

There's a galaxy in your eyes
You only look good with me

(Woo hoo hoo yeah)
See that it's me
(You know oh yeah)

Wake up
I discovered you in one moment
Wait right there, my dream girl, oh yeah
Bells ring in my head
She's the real deal

Feels good
Wo oh, she's the real deal
Really really good
She's different
Wo oh, she's coming
Really really
She's the real deal

You make me crazy
I'm falling
You drive me crazy
Yeah wo oh
She's the real deal

Yeah yeah
I'll say it in my way now
You're so pretty, even all your details
You've shed that natural body image
All I need is you, I'm jumping around
Without a single moment of hesitation
Your answer is yes
Yes she is perfect
I'm not just saying that
I wanna be with you, I want to give myself to you

I can't sleep for you
I can't sleep because of you
What's so special about the real deal? What's so special about you?
I can't sleep for you
I can't sleep because of you
What's so special about the real deal? What's so special about you?

Turn Up
You appeared before my eyes
It's the moment I've been waiting for, oh yeah
Bells ring in my head
She's the real deal

I can't stop loving you ahh

Feels good
Wo oh, she's the real deal
Really really good
She's different
Wo oh, she's coming
Really really
She's the real deal

You make me crazy
I'm falling
You drive me crazy
Yeah wo oh
She's the real deal
