After the hot summer
And the lonely autumn
It's winter

Time doesn't stop
Memories are fading
Why, why, why am I like this?

People leave one by one
Going off to find their own spot
I'm lonely, I'm so lonely
I'm cold even when I'm dressed in thick clothes

I'm living as if nothing's wrong
Smiling as if I'm alright but dying
I'm miserable, whatever I do, I'm miserable
I

I hate you, winter winter
I wanna go far away
Although just like nothing lasts forever
You'll pass some day

I hate you, winter winter
I wanna go far away
I'm afraid to be alone

The world is so scary
Everyone gets numb in time
Whatever I do
I freeze

I'm living as if nothing's wrong
Smiling as if I'm alright but dying
I'm miserable, whatever I do, I'm miserable
Hurry and save me

I hate you, winter winter
I wanna go far away
Although just like nothing lasts forever
You'll pass some day

I hate you, winter winter
I wanna go far away
I'm afraid to be alone

I wanna wake up from this long nightmare
Go back to the times I long for
After the cold winter
Spring will come
NEED A LIGHT, I NEED A LIGHT
I'm waiting

I hate you, winter winter
I wanna go far away
Although just like nothing lasts forever
You'll pass some day

I hate you, winter winter

I wanna go far away
I'm afraid to be alone
