

Flicker

Niall Horan

When you feel your love's been taken
When you know there's something missing
In the dark, we're barely hangin' on
Then you rest your head upon my chest
And you feel like there ain't nothing left
So I'm afraid that what we had is gone

Then I think of the start
And it echoes a spark
I remember the magic electricity
Then I look in my heart
There's a light in the dark
Still a flicker of hope that you first gave to me
That I wanna keep
Please don't leave
Please don't leave

When you lay there and you're sleeping
Hear the patterns of your breathing
And I tell you things you've never heard before
Asking questions to the ceiling
Never knowing what you're thinking
I'm afraid that what we had is gone

Then I think of the start
And it echoes a spark
I remember the magic electricity
Then I look in my heart
There's a light in the dark
Still a flicker of hope that you first gave to me
That I wanna keep
Please don't leave
Please don't leave

And I want this to pass
And I hope this won't last
Last too long

Then I think of the start
And it echoes a spark
I remember the magic electricity
Then I look in my heart
There's a light in the dark
Still a flicker of hope that you first gave to me
That I wanna keep
Please don't leave
Please don't leave
