

Awkward

Nic D

Why this awkward?
I feel awesome
I just did everything I said with no problem
Why this awkward?
I feel awesome
I heard them say they confident, but they just talkin'
Yeah, yeah
Why this awkward? Yeah
I feel awesome, yeah
I just did everything I said with no problem, yeah, uh
Why this awkward?
I feel awesome
I heard them say they confident, but they just talkin'

I ain't in the mood for killin' it
When you write about what's real, it's infinite
They don't like to see the truth in your penmanship
They be steady, tryna prey on your innocence
Everybody confident on the internet, huh?
A lot of people talk a lot on the internet, huh?
I'll be honest, all I hear is "Na-na-na-na"
Y'all just wanna beat the drum, they finna get, uh
Said, "Are you not a Porsche guy?" Negative
"Why we let the horses fly?" Pegasus
Yeah, now they mortified, it's evident
Uh, I ignore the time, it's medicine
Quarter size, penny size, never look 'em in the eyes
Uh, ok, yeah
Feel like I'm flyin' a hundred miles in a twenty-five
My life's changin' and I say

Why this awkward? Yeah
I feel awesome, yeah
I just did everything I said with no problem, yeah, uh
Why this awkward?
I feel awesome
I heard them say they confident, but they just talkin'

Recorded a song in the shed (Yeah, yeah)
I recorded a song on my couch (Yeah, yeah)
I recorded a song in my grandparents house (Yeah, yeah)
On the guest bedroom floor
Writin' it ten minutes before
It's a mood, yeah, a mood, let it do what it do (Yeah, yeah)
"Nobody cooler than you", I get it (Yeah)
They don't want truth, inspire the youth (Yeah, yeah)
It's like pullin' teeth, man, I feel like a dentist (Yeah, yeah, oh)
Never made excuses, never found a use to use 'em (Yeah, yeah, woah)
Only found solutions, thanks (Yeah, yeah, woah)
Couple times I had to check my hubris, we all human (Yeah, yeah, woah)
I pull up from stupid range (Yeah, yeah, woah)
Gets confusin', kinda like a Rubiks Cube (Yeah, yeah, woah)
Sometimes I still Google things (Yeah, yeah, woah)
Never let it ruin, see right through the brusies (Yeah, yeah, woah)
Don't deflect 'cause I used the paint

Why this awkward? (Why this awkward?)

I feel awesome (Oh, I feel awesome)
I just did everything I said with no problem (With no problem)
Why this awkward? (Why this awkward?)
I feel awesome (Oh, I feel awesome, yeah)
I heard them say they confident, but they just talkin'
Why this awkward? Yeah
I feel awesome, yeah
I just did everything I said with no problem, yeah
Why this awkward?
I feel awesome
I heard them say they confident, but they just talkin'
