

Chasing Highs

Nic D

Dollar signs in my eyes
Spent a lot of time
Chasin' highs and fantasizin'
Dollar signs in my eyes
Spent a lot of time
Chasin' highs and fantasizin'

Yeah
Pretty little mama, I, I, I
I don't do the drama, I, I, I
Still ignore the comments, I, I, I
I just let 'em watch us, I, I, I'm
Still after the commas, I, I, I
Never break a promise, I, I've
Been dealin' with the trauma, I, I
Feel like a million dollars

Don't say nothin', phone ain't buzzin'
Hard to be surprised when you know that they comin'
Still make plays, still unfazed
Did it my way and I know you love it
Up all night, up all night
You on my line, numbers don't lie
The numbers don't lie, that's why I gave you mine, mm

Pretty little mama, I, I, I
I don't do the drama, I, I, I
Still ignore the comments, I, I, I
I just let 'em watch us, I, I, I'm
Still after the commas, I, I, I
Never break a promise, I, I've
Been dealin' with the trauma, I, I
Feel like a million dollars

Too much to count, bankin' on bank accounts
Livin' on savin's now
Ready to bounce, hopin' we make it out
Said that you had your doubts, but we doin' alright
Do what you like, long as you got good intentions
Livin' your life, look in your eye
You've been lookin' for attention

Dollar signs in my eyes
Spent a lot of time
Chasin' highs and fantasizin'
Dollar signs in my eyes
Spent a lot of time
Chasin' highs and fantasizin'

Yeah
Pretty little mama, I, I, I
I don't do the drama, I, I, I
Still ignore the comments, I, I, I
I just let 'em watch us, I, I, I'm
Still after the commas, I, I, I
Never break a promise, I, I've
Been dealin' with the trauma, I, I

Feel like a million dollars
