Nic D

Yeah  
And I couldn't change her no  
Yeah

Said I couldn't change her no, yeah  
You wouldn't wanna be changed anyway, uh yeah  
I heard 'em screamin' dangerous, yuh  
Danger dang dang I can't get away, uh yeah  
But I ain't no stranger (no wooh)  
Stranger, to not get in my way, yeah

They hit me with the uh  
Nic how you been  
I'm just checkin' in  
You ain't checkin' in  
You saw how well I was doin'  
And you wanted in  
I know those eyes  
I could see 'em from a mile away  
But I don't blame ya  
You just hungry ain't ya  
Room full of entertainers  
I have it, they payin' us  
Ain't got much to say to ya  
'Cept don't come round me with none of that mess boy cause

I couldn't change her no, woo  
You wouldn't wanna be changed anyway, uh yeah  
I heard 'em screamin' dangerous, yeah  
Danger dang dang I can't get away, uh yeah  
But I ain't no stranger (no wooh)  
Stranger, to not get in my way, uh yeah  
And I chose to play her, uh  
Play her, I guess it comes with the game, yeah

I said uh they treat you like royalty  
So then can get your royalties  
They act like it's loyalty  
They sayin' they gon' spoil me  
But I don't even like gettin' spoiled  
I'm walkin' with my hand out  
I figure they think I'm the man now  
So they just wanna be around but  
Ain't nothing changed  
'Cept I got some fans now  
So I thank you all for listening for real

I couldn't change her  
Change her  
You wouldn't wanna be changed anyway  
I heard 'em screamin' dangerous  
Danger, I can't get away

And I couldn't change her no, woo  
You wouldn't wanna be changed anyway, uh yeah  
I heard 'em screamin' dangerous, yeah  
Danger dang dang I can't get away
