

# Dopamine Hit

Nic D

100graham

Hollow, chilled to the bone  
Hard to swallow, gotta get it down, gotta get it down  
Shaped like vibrato, gotta get ahold of myself, I know

And I got a dopamine hit when the phone vibrated  
I got F.O.M.O., don't wanna miss any post, any occasion  
The question's loaded, the antidote's high-rated  
'Long as we keep exposure isolated

Up all night, roll while you skated  
I'm alright, I celebrated  
It's just like it's underrated  
They don't bite, so I contemplated

Take a step back, take away round  
Take a new path, knock 'em off balance  
Gotta get it fast, gotta slow down  
Don't get attached, anything could happen

And I got a dopamine hit when my phone vibrated  
I got F.O.M.O., don't wanna miss any post, any occasion
