

End Zone

Nic D

Buddy Holly on the boombox
Been Tom Cruisin' in my tube socks baby
Still dreamin' 'bout your lip gloss
Your perfume still hangin' in my Mercedes I
Could be your Breakfast Club Bender in a trench coat
Or put the polo on to take ya down the Gold Coast
Be your whatever just dependin' on the dress code
Baby, I-I-I
Oh, I-I-I

Think you're a T-Bird on the 20 with the top down
Got the Tommy denim lookin' like a strikeout
In the Nikes with the Velcro (Let's go)
Cherry Pepsi pop the Mentos, baby
I could spend the summer stayin' stuck inside on your couch
Or take a 747 'til we touch down
Put some Petty in your headphones, oh
Dancin' in the kitchen like an end zone, baby

I just wanna meet you in the End Zone, baby
I just wanna meet you in the End Zone, baby

Wind me up
I'll clean up for ya, baby, tidy up
You need somebody, okay sign me up
Don't doubt the underdog it might be us
Mighty ducks (Alright)

Think you're a T-Bird on the 20 with the top down
Got the Tommy denim lookin' like a strikeout
In the Nikes with the Velcro (Let's go)
Cherry Pepsi pop the Mentos, baby
I could spend the summer stayin' stuck inside on your couch
Or take a 747 'til we touch down
Put some Petty in your headphones, oh
Dancin' in the kitchen like an end zone, baby

I just wanna meet you in the End Zone, baby
I just wanna meet you in the End Zone, baby
