

Face Time

Nic D

100

And I don't wanna FaceTime
I want some face to face time
And I don't wanna waste time
Cause you can't get it back

You stick to your guns, I'm biting my tongue
Is this what it feels like, falling in love?
Taking the blame, for what I don't know
It's better than fighting and being alone

It's like I can't keep control

And I don't wanna FaceTime
I want some face to face time
And I don't wanna waste time
Cause you can't get it back

Get a little back bone, get a little spine
Where did your life go, meeting over mine?
Reading your Bible, forgetting your lines
You hit another back road, skip another sign
Threw another black hole, at the speed of light
Still wherever I go, somehow

Do you like rollercoasters?
I'm an emotional one
Do you do what you're supposed to?
Cause I do what I want

Feel like a cake, runs out of line
Go with the wind, window has shine
I don't ever stop boy, unless it's on a dime

And I don't wanna FaceTime
I want some face to face time
And I don't wanna waste time
Cause you can't get it back
