

i don't think that i'm okay

Nic D

I don't think that I'm okay
I think that I might be insane
But I think you could be the one to show me
That it's fine to feel this way
I don't think that you're okay

Could we pretend hypothetically
That I am just an energy
That got caught in an entity
Got it? No K

Then I got placed in some space and time
And you're in the same one as mine
I don't think that I think that I'm
Wait what?

I don't think that I'm okay
I think that I might be insane
But I think you could be the one to show me
That it's fine to feel this way
I don't think that you're okay

Figured I'd shoot my shot
Pow pow loot get dropped
Yeah she dance she don't do tiktoks
One step left gon' lose your spot
Ain't nothin changed but they whole demeanor mm
Grass got mowed got greener mm
Tough on dirt boy Stanley Steemer mm
Gotta move quick the cameras freeze 'em ya
Pick apart everything you saw ya
Living art ya we live in awe ya
Love it when it start to interlock ya
Hit a homer but it's in the park ya
Just keep running
Just keep running
Don't stop for nothing
Or maybe I
Nevermind hol up wait

I don't think that I'm okay
(Or maybe I never mind)
I think that I might be insane
(Or maybe I never mind)
But I think you could be the one to show me
That it's fine to feel this way
I don't think that you're okay

And that's okay
And that's okay
And that's okay
And that's okay
