

# Icee Pop

Nic D

(Leybeats, this go crazy)  
(100graham)

What's your favorite flavor of an Icee Pop? I forgot  
I'm steady, tryna connect the dots, la-di-da  
Girl, you got me workin' round the clock, can't be stopped  
All your friends are on the chopping block  
Cut 'em off, cut 'em off, yeah

I'll call you in the mornin' if this ain't a dream  
I'll pick you up at 10 and then I'll pay for things  
'Cause you know I got it like that, got it like that

(Okay)  
Misdirection (Wait), sass with aggression (Okay)  
You don't want to mess with (Okay)  
That's natural selection (Okay), you say  
Misdirection (Wait), sass with aggression (Okay)  
You don't want to mess with (Okay)  
That's natural selection (Okay)

Don't complain when you won't explain  
And you won't ever say what's wrong  
But I have some spice, and I want them plain  
It's lame, it's none of you though  
The window pane gets stained from the sun  
I'll just wait until we get one  
Never even wait 'til it's done  
(What's your favorite flavor of an?)

Let's play my Nintendo, Nintendo, ye-yeah that echoed, don't you  
Diet Coke and Mentos, let's see how high we can go  
I play you my demos, you meetin' me in the middle  
Let's start the conversation simple with

I think it's her eyes, or maybe it's the way that she walk  
Or talk, or somethin', I just can't decide  
All I need to know is if you showed up here with somebody tonight  
If you didn't, then I'ma try to slide, I'ma try to slide  
Eyes, or maybe it's the way that she walk
