

Layover

Nic D

Bamsy made it big
100

Yeah

Late flight, heard you gotta layover
Late night, maybe you can lay over
Take flight without leavin' the ground (Leavin' the ground)
Sippin' on, yeah, uh, 99 cent Arizona
Made plans that I'm makin' the most of
Imagine not pickin' the phone up, til' the mornin'

Yeah

Pic so good it don't even need a caption
Love at first flight, why she callin' me the captain?
Wings on the jeep, pray we never gon' crash 'em
Pull me in attraction, lovin' like a magnet
I don't even swipe when I pay, I tap it
Apple Pay, babe, never say I'm not tapped in
Life like a movie, everything I'm gettin' cast in
Still never heard "It was good while it lasted"

Yeah

Late flight, heard you gotta layover
Late night, maybe you can lay over
Take flight without leavin' the ground (Leavin' the ground)
Sippin' on, yeah, uh, 99 cent Arizona
Made plans that I'm makin' the most of
Imagine not pickin' the phone up, til' the mornin'

Oh, how easy to tell me
Baby, don't fail me, fail me, baby, don't fail me, fail me
Oh, how easy to tell me
Baby, don't fail me, fail me, baby, don't fail me

Sippin' on, yeah, uh, 99 cent Arizona
Made plans that I'm makin' the most of
Imagine not pickin' the phone up, til' the mornin'
Sippin' on, yeah, uh, 99 cent Arizona
Made plans that I'm makin' the most of
