

Like Honey

Nic D

Yeah, okay (One hunnid)
Yeah, okay (You my baby)
(Yeah, you are) Life's sweet like honey

Nn-doo-doo-doo-doo (Da-da-da-da-da)
Nn-da-da-da (Da-da-da-da-da, da-da)
Nn-doo-doo-doo-doo-doo-doo (Da-da-da-da-da)
Nn-da-da-da (Da-da-da-da-da, da-da)

I say a word to whoever need it the most
Word to whoever wonder, "Where he get those?"
'Soon as I get the word, I'ma go, you only as good as your word
Word up to those who know, yeah
I'm on par for my goals, that's a subtle flex
We show us move when we appear, that's how the butter spread
Now when I walk by, everybody got rubber necks
You find out monsters ain't just under beds
We went from "Babe, does the cargo go through?"
To "Does this car have cargo room?" Yeah
Don't get between me and my money
Life's sweet like honey

Nn-doo-doo-doo-doo (Da-da-da-da-da)
Nn-da-da-da (Da-da-da-da-da, da-da)
Nn-doo-doo-doo-doo-doo-doo (Da-da-da-da-da)
Nn-da-da-da (Da-da-da-da-da, da-da)
You my baby (Da-da-da-da-da)
Yeah, you are (Da-da-da-da-da, da-da)
And you my baby-by-by (Da-da-da-da-da)
Yeah, you are (Da-da-da-da-da, da-da)

Okay, gimme a lil' somethin', ayy, know you been winnin'
Independent lets you set records like Guinness
Saw you went by, love a snippet
Tell me what you did wit' your fifteen minutes, crickets
That implies nothin', sorry, don't mean to butt in
What I need to share, what I don't is an introduction
They say when it rains, man, it pours, yeah, it gushes
I just want it all, but it ain't all of a sudden
I'm up, been low
Went and turned things 'round, I know
What's up? Hello
Got brand new wheels, let's roll

You my baby, come on (Da-da-da-da-da)
Yeah, you are, yeah, you are, baby, mm, yeah, you are (Da-da-da-da-da, da-da)
And you my baby-by-by, come on (Da-da-da-da-da)
Yeah, you are, yeah, you are, baby, mm (Da-da-da-da-da, da-da)
You my baby, come on (Da-da-da-da-da)
Yeah, you are, yeah, you are, baby, mm, yeah, you are (Da-da-da-da-da, da-da)
And you my baby-by-by, yeah, come on (Da-da-da-da-da)
Yeah, you are, yeah, you are, baby, mm, yeah, you are (Da-da-da-da-da, da-da)
