

# Milkshake

Nic D

It's me, you and a milkshake, two straws  
Come on back to my place, cherry on top  
Mmh, we got our bills paid, oh good Lord  
'Cause we ain't broke no more no, mmh-mmh  
Let me get it with whipped cream and sprinkles  
Your eyes still got that twinkle  
Mmh, we got time to mingle, babe  
'Cause we ain't broke no more, mmh-mmh  
No, we ain't broke no more, mmh-mmh  
Ay, ay

Go and meet me at the diner, ain't no way they gon' find us  
Spent Johnny Cash on a ring, I need fire  
Hey, you want chocolate, don't ya?  
Tryna smooth out another Rocky Road, yeah  
Check, please, got the check too  
Got a heart by your name when I text you, achoo  
I'd say bless you but it looks like God already did

It's me, you and a milkshake, two straws  
Come on back to my place, cherry on top  
Mmh, we got our bills paid, oh good Lord  
'Cause we ain't broke no more no, mmh-mmh  
Let me get it with whipped cream and sprinkles  
Your eyes still got that twinkle  
Mmh, we got time to mingle, babe  
'Cause we ain't broke no more, mmh-mmh  
No, we ain't broke no more, mmh-mmh

It feel a little retro, neon lights in light yellow  
I work hard, got grease on my elbows  
I don't switch, I stick, I'm like Velcro  
I love you, you, you, that's a echo, echo  
Got a straw with the red and white stripes  
I got goals, got 'em dead in my sights  
I never miss like I said, I'm precise  
Anything you want, it's just a regular night  
Set the scene, eyes locked in front of me  
Get the keys, wait, we in the keys  
Tell me how you do it and how you do it with ease  
Tell me what it feel like to have a house on the beach, yeah  
This ain't a meet-and-greet, this a meet in Greece  
You said you want a bubble bath in Santorini  
Now we in Santorini, it's like you had a genie  
'Cause you get everything you wish

Let me get it with whipped cream and sprinkles  
Your eyes still got that twinkle  
Mmh, we got time to mingle, babe  
'Cause we ain't broke no more, mmh-mmh  
No, we ain't broke no more, mmh-mmh
