

## Pop Outside

Nic D

You 'bout to pop outside with your girls and them  
Wanna hang in the backseat  
You 'bout to turn a couple heads with your girls and them  
You look good if you ask me  
And if you wanna ride to the southside, baby  
I'll be waitin' for you outside, baby  
If you wanna pull up, pull up, pull up  
Just pull up, pull up, pull up

She been gettin' ready, pullin' clothes out (You look good in anything)  
Dancin' on the table when she goes out (There's another one)  
I'm the only one that she'll let get her down (Oh, that's cash, yeah)  
Walkin' on a cloud like she brought Heaven down  
Down to earth like the asteroid fell  
Miss Understood but you mean so well  
I know you know you know me so well  
You a five star in this cheap hotel  
Someone put that table center stage  
You my Angelina, lead the way  
We gon' have 60 seconds like I'm Case  
Then I heard you say (Alright, look)

You 'bout to pop outside with your girls and them  
Wanna hang in the backseat  
You 'bout to turn a couple heads with your girls and them  
You look good if you ask me  
And if you wanna ride to the southside, baby  
I'll be waitin' for you outside, baby  
If you wanna pull up, pull up, pull up  
Just pull up, pull up, pull up

Pull up like dirty wood  
Give it that early call  
Y'all give us dirty looks  
We never heard of y'all  
Do you think about me like I think about you?  
Never missed a beat, and I don't need a how-to  
I've been chasin' cheese, sum like a mouse do  
(Hey, look, where you been, hey, look, hey)  
Point my P's and Q's and my A's and B's  
I've been dottin' I's and I've been crossin' T's  
We've been lockin' eyes when you across from me  
(Across from me, 'cross from me, 'cross from me)  
You can hit the snooze, you can lay with me  
We gon' make a move, yeah, we playin' a scene  
Yeah, life's a doozy, it's okay with me (Okay with me)  
One, two

You 'bout to pop outside with your girls and them  
Wanna hang in the backseat  
You 'bout to turn a couple heads with your girls and them  
You look good if you ask me  
And if you wanna ride to the southside, baby  
I'll be waitin' for you outside, baby  
If you wanna pull up, pull up, pull up  
Just pull up, pull up, pull up
