

# Quarantine Summer

Nic D

We got them quarantine summer vibes and  
We don't got nothin' to do  
Uh uh, so I'ma fall in love with you  
Again  
They say the best things come in 2's  
My friend  
I'm at my best when I'm with you (Woo)  
Uh uh, we got that quarantine summer  
(Summer, ayy, summer, ayy)  
Uh uh, we got that quarantine summer (Woo)  
(Summer, ayy, summer, ayy)  
Uh uh, we got that quarantine summer  
(Ayy, woo)  
Uh uh, we got that quarantine summer  
(Ayy)

I've rearranged my room like 40 times  
Just to have something to do and ease my mind  
Only so many Netflix show that I can binge  
How many times in one day can I check the fridge  
Ohh  
Everybody just won't go to town yeah  
Everybody we know don't come round here  
Everybody stay home like  
Oh oh oh, yeah, oh oh oh  
I don't need my feet on feet on solid ground  
I just bounce  
They don't got no masks on do they  
So please don't come around

We got them quarantine summer vibes and  
We don't got nothin' to do
