

# Real Big Problem

Nic D

Hold up, hold up, hold up

I'm a real big problem, but there ain't no problem  
Hangin' out the window while drivin'  
Trunk rattlin', baby, that thing rockin'  
When the cars pass, they noddin'  
I'm a real big issue, but there ain't no issue  
Knock-knockin', it's knockin' when it hits you  
Oh, baby, what are we gettin' into?  
I-N-D-I-E, and I am too

I got ninety-nine problems but a hit ain't one  
I'm like that broke down car, man I just don't run from nothin'  
Trunk rattlin' when it's thumpin'  
Doin' donuts in the parking lot, it runs on Dunkin'  
Diggin' in the spurs, baby giddy up  
I give up everything I have 'fore I give it up (Yup)  
I'm the hottest thing out, I'm the blue flame  
I make the whole trunk rattle like some loose change  
But it's none of yo business, none of yo beeswax  
She ride shotgun, meanin' the seat back  
Baby, we not done, baby, we need that  
Uh, drop a song like it's free cash

I'm a real big problem, but there ain't no problem  
Hangin' out the window while drivin'  
Trunk rattlin', baby, that thing rockin'  
When the cars pass, they noddin'  
I'm a real big issue, but there ain't no issue  
Knock-knockin', it's knockin' when it hits you  
Oh, baby, what are we gettin' into?  
I-N-D-I-E, and I am too

Every month November, gotta save my stash (Uh-huh)  
Every single day is like a birthday bash (Uh-huh)  
Lot of money in the cars, like some birthday cash (Uh-huh)  
Had to school 'em for you baby, like the first day back  
How you trappin' out the act with your kids in the back?  
How you forgettin' how to act when you're tippin' 'em back?  
I'm like the airlines, except I'm never missin' a bag  
Whole album soundin' like I'm on a mission to brag (Yee!)  
It's like I'm out here playin' tag, I'm it (I'm it)  
Fill in the blank, baby you ain't (You ain't)  
I need a new hat, my head won't fit  
It got big, but you gotta admit  
God is good, God is really good

I'm a real big problem, but there ain't no problem  
Hangin' out the window while drivin'  
Trunk rattlin', baby, that thing rockin'  
When the cars pass, they noddin'  
I'm a real big issue, but there ain't no issue  
Knock-knockin', it's knockin' when it hits you  
Oh, baby, what are we gettin' into?  
I-N-D-I-E, and I am too
