

Rollin' through the city in my two seat  
Blowing through this paper like it's loose leaf  
But I ain't even mad, in a week I'll make it back  
Those some thangs you'd prolly want me to say (Say, say)  
Spend a couple thousand on some new things  
Everywhere I go they be like who's he  
Throw it in the bag, we just pop another tag  
Those are some things you'd prolly want me to say

Ayy, yeah I'm all in  
Yeah I'm all in  
I could expedite the come up with a couple dollars  
Yeah I'm on it  
Yeah I'm on it  
Cookin' this up in front of you like it's Benihana  
Uh, yeah I'm fallin'

Fallin' deep in love with the come up it's a problem  
It's getting polished  
Really polished  
Things are starting to heat up got it feeling like a sauna

Wrote so many songs yeah feeling like an author  
I just spill my heart then I add them to the roster  
Turn the music down, all we turnin' down is offers
