We got 'em on ice, slide (Slide)
Skate, wait (Hold up)
Dang, they think they slick, hmm (Slick)
New to me (New to me)

My catalogue is stupid deep
This pandemonium, just tryna get to sleep
The beats get dropped off, this Uber Eats
Who the top dawg? Man, it's you or me
I got it, ignore the comments
I remember the days the top was just ramen
I clear my plate, don't scarf it, what's made?
I get food then skate, yeah, welcome to Sonic's
Pulled off the porch and knocked off this rocker, ooh
Give it to God and all things that conquer
They won't do it alone, I told 'em "That's the problem", oof
Hot thermometer, pick-pocket a doctor, yeah
Look at the line up, his barber done did him proper, uh
Verbal trigger, they treat him like he a monster
No weapon for him, they guessed and shall prosper
Bunch of imposters, yeah

We got 'em on ice, slide (Slide)
Skate, wait (Hold up)
Dang, they think they slick, hmm (Slick)
New to me (New to me)
Think that they hot
We got 'em on ice, slide (Slide)
Skate, wait (Hold up)
Dang, they think they slick, hmm (Slick)
New to me (New to me)
Think that they hot
But we got 'em on

Know what I'm sayin'?
It's true though

Mirror, mirror on the wall
Am I still the prettiest of them all? Damn right
Cop up everything up at the mall, damn right
Step out from the corner, Lonzo Ball, damn right
Wasn't like the baddest child or dog
Treat me like I'm on Sharam
Told her she don't have to call, damn right
And she wanna call me and beat me like Kim Possible
She wanna reach me every single day and night
It's true though
Ball on you, Alex Caruso
Spanish mamacita, say I'm Papi Chulo
And I guess she like me, she say, "Mucho gusto"
I'm back in my, damn, be like Emperor Kuzco

I'm no Homer Simpson in this joint, I'm in my dough
Don't want too many friends around this piece, you not the bro
Look, when it come to me, yes it's been amazing how I perceive
'Cause when it come to me, I'm the realest one as you can see

We got 'em on ice, slide (Slide)
Skate, wait (Hold up)
Dang, they think they slick, hmm (Slick)
New to me (New to me)
Think that they hot
We got 'em on ice, slide (Slide)
Skate, wait (Hold up)
Dang, they think they slick, hmm (Slick)
New to me (New to me)
Think that they hot
But we got 'em on
