

Snowflakes Fall

Nic D

Snowflakes fall
Middle of June it's pourin' but they gon' melt on my tongue
Just your average rainbow after the snowflakes fall
Middle of June it's pourin' but they gon' melt on my tongue

Big lights, city lights
L.A to New York, M.I.A
I, try to be nice but that don't pay
Tryna figure out what I'm fallin' for
Darling your, looking for something that you can call it yours
You always want the beef you a carnivore
Honestly all this hot and cold is making the

Snowflakes fall
Middle of June it's pourin' but they gon' melt on my tongue
Just your average rainbow after the snowflakes fall
Middle of June it's pourin' but they gon' melt on my tongue

Late nights, really late nights
What a great life found my fortune
Awe, nice something gone right
Rocking Off-Whites when I can't afford em'
That's what we do, fool
That's what we do
Throw a cold should while your burnin all this money
Now the

Snowflakes fall
