

## Scared Money

Nice & Smooth

Aww man, aww man  
The landlord, keeps stressin me  
God, ohh, bill collectors is just ringin my phone off the hook  
Oh my God my is up  
I won't be gettin no more monthlies from them  
Oh my God, they say money is the root of all evil  
But umm...

Get money - scared money, don't make no money  
Say what say what; get money - scared money, don't make no money  
Y  
Get money money - scared money, don't make no money  
I ain't afraid no more - scared money, don't make no money

I ain't afraid, Nice & Smooth ain't afraid  
Ed Hall ain't afraid, we ain't afraid baby we ain't afraid

Now, do you want the fly girls? (GEAH!)  
You want the fly cars? (YEAH!) You wanna be a star? (YEAH!)  
But scared money don't make no money  
But scared money don't make no money

Dug deep in my pockets, nothin came out  
A thread and lint UHH what's that all about?  
Even Big Willies take a spill sometimes  
No doubt, I gotta stay on the paper route  
Now it's time to blow, peace to Rob, peace to Show  
I still get my cut, from a brother Denny Moe  
Slow and low be the tempo that I flow  
Sippin on the Heine', puffin on the 'dro

Scared money don't make no money (4x)

It's Smooth B, I be the same rooster  
I get mad if my pockets ain't fat like they used to  
be, money ain't G-O-D  
So I make it then spend it cause it's easy for me  
No fair, never scared, never to be compared  
to other MC's we drop too many degrees  
Please, now I'm gonna show you how the East was won  
Weight on my back, of six sextillion tons  
Don't forget, 21 seconds, when we gettin fast money  
Hold yo' head, don't get hyper, get money, get money

Scared money, don't make no money
