

# Never Say Never?

Check!

I think I like her, you know  
Yeah, I don't know why I'm laughing, it ain't like it's a joke  
And I hope it can go to the place that I wanna take it  
I take my time and I'm patient  
I can wait in line but I hate the time we go wasting

Cause I ain't never seen nobody like ya  
And you might not believe me, you think I'm a liar  
You might think it's cheesy and maybe you're right  
But we should give it a try, tell me what's on your mind now

Slowly I'll give myself to you, but I just can't right now  
So let's not hide the truth and we'll be alright, we'll be alright  
We'll be just fine, we'll be just fine  
I never say never, it's not like I don't feel something for ya  
I never say never, it's not like I don't feel something for ya  
I never say never, it's not like I don't feel something for ya  
(Tell me what to say then I'll say it)  
I never say never, it's not like I don't feel something for ya  
(I got my own way and I'm waitin')

Check!

Know how the game goes, aye  
I see you walking, had to take note, aye  
I never thought it would be case closed  
But now I'm singing to the woman like I'm Drake though

Cause I ain't never seen nobody like ya  
And you might not believe me, you think I'm a liar  
You might think it's cheesy and maybe you're right  
But we should give it a try, tell me what's on your mind now

Slowly I'll give myself to you, but I just can't right now  
So let's not hide the truth and we'll be alright, we'll be alright  
We'll be just fine, we'll be just fine  
I never say never, it's not like I don't feel something for ya  
I never say never, it's not like I don't feel something for ya  
I never say never, it's not like I don't feel something for ya  
(Tell me what to say then I'll say it)  
I never say never, it's not like I don't feel something for ya  
(I got my own way and I'm waitin')

Boy, if you let me  
I'll come when I'm ready  
Into your arms  
(No, I don't wanna wait, I got you on my brain, don't wanna hear you say)  
Boy, if you let me  
I'll come when I'm ready  
Into your arms  
(But why you got me waiting and waiting, I got my own way and I'm waitin')

I never say never, it's not like I don't feel something for ya  
I never say never, it's not like I don't feel something for ya  
I never say never, it's not like I don't feel something for ya  
(Tell me what to say then I'll say it)  
I never say never, it's not like I don't feel something for ya

(I got my own way and I'm waitin')

Just hold on

(You know that I'll hold on)

Hold on

(Not only for so long)

You're my love

Wait for me, wait for me

Say you wait for me, wait for me

Just hold on

(You know that I'll hold on)

Hold on

(Not only for so long)

You're my love

Wait for me, wait for me

Say you wait for me, wait for me
