

Cut Em Off

Nick Cannon

On my soul
These niggas out here switchin' sides like halftime
Fake shit
(Hollywood Bangerz)
I'ma keep it real
If I cut you off, most likely your ass handed me the scissors
I'm just sayin'
Shit is revealed when shit get deep
Niggas too grown for this shit

I had to cut so many niggas off, yeah
It's their fault, yeah
Them niggas lost, yeah
I tried to put 'em in position to live large, yeah
I tried to put 'em in position to be boss, yeah
I'ma always hold it down for my boys, yeah
Why he play when he know we makin' noise? Yeah
He can't go nowhere
Just cut 'em off, cut 'em off, cut 'em off, yeah

Had to cut 'em off, this memory loss
Is killin' me softly, gettin' 'em off me
Niggas is salty, women is costly
This is the new me, y'all know the old me (Yeah)
Some of the OGs done told me (Yeah)
Bitches is phony, never trust no one
Don't need no bank, I don't wanna owe 'em
Don't need no loan, I already own it
Be so alone, I went, tatted "Lonesome"
Came out of nowhere, sometimes gotta coach 'em
Rip all the roads and I never drove it
This shit was meant for me, boy, I was chosen
Niggas the wave and I am the ocean
Niggas are fakes, I am the culture
Niggas is lame, I might expose 'em
Back in the game, I might D. Rose 'em
Spur of the moment like I'm DeRozan
Bangin' in college like I'm a Trojan
Eminem beefin', I should ignore it
That's what they told me when I was warrin'
Put in my time on somethin' more important
Bread on my mind, my money is corporate
Barely got time, all these endorsements
Organizations donatin' fortunes
Don't get it twisted, squad with the bullshit
Get in my way and then we'll come move shit
I'm on my wave, I'm on my cool shit
Tryna behave but they on that fool shit
They talkin' crazy, they never do shit
Internet haters callin' me bougie
Yeah, they clout chasin', they really groupies
Screamin' my name, you never knew me

I had to cut so many niggas off, yeah
It's their fault, yeah
Them niggas lost, yeah
I tried to put 'em in position to live large, yeah

I tried to put 'em in position to be boss, yeah
I'ma always hold it down for my boys, yeah
Why he play when he know we makin' noise? Yeah
He can't go nowhere
Just cut 'em off, cut 'em off, cut 'em off, yeah

Back in my hood niggas was good
'Til they had saw me start fuckin' with Suge
Misunderstood, roll up a 'Wood
Now I'm the plug, writin' the book
Told me he would've saved Pac if he could
Told me come get him up out of the mud
I got some hyenas surrounded by wolves
Me, never scared, that's not in my blood
But when they hate you, how do you love?
When people racist, don't give a fuck
The media make you the buzz
For tellin' the truth for how it really was
My niggas solid, we never budge
Some of 'em wasn't, some of 'em was
Holdin' my gun like I'm holdin' a grudge
Now I'm back rappin', they actin' a dud
Cut 'em off, cut 'em off, yeah
Who they callin' underdog? Yeah
I'm like, "Who the fuck is y'all?" Yeah
Never mind, really, I don't care
Some rappers I don't get along with
I just been up on my boss shit
Cuttin' niggas off so quick
And you been on that ho shit

I had to cut so many niggas off, yeah
It's their fault, yeah
Them niggas lost, yeah
I tried to put 'em in position to live large, yeah
I tried to put 'em in position to be boss, yeah
I'ma always hold it down for my boys, yeah
Why he play when he know we makin' noise? Yeah
He can't go nowhere
Just cut 'em off, cut 'em off, cut 'em off, yeah

(Hollywood Bangerz)
If we touch the hearts and minds of the rappers
They could create a revolution overnight
Overnight
Literally, overnight
