

Hey Nick

Nick Cannon

Hey Nick, hey Nick
Hey Nick, hey Nick
(Friends and family smiling everyday)
Hey Nick, hey Nick
Hey Nick

No more stressing, no more sad songs
Count your blessings even when you're feeling low
You've got to turn around and turn on your favorite show
'Cause we 'bout to tire now making everybody go, hey Nick

Where all my ladies? (Hey)
Where all my players? (Ooh)
Friends and family smiling everyday
And everybody say, hey Nick
Where all my ladies? (Hey)
Players, do you feel me? (Ooh)
With the family smiling everyday
And everybody say, hey Nick

Hey Nick, hey Nick
Hey Nick, hey Nick
Hey Nick, hey Nick
Everybody say, hey Nick
