

# Funny Face

Nick Carter

Baby wipe your eyes  
cause I don't wanna see you cry  
and I don't want you thinking I'm a bad guy  
sometimes I say some thing that I don't really mean  
the last thing that I want is you mad at me

I know, I know what I gotta do  
do to get a, get a smile outta you

Make my lips touch my nose  
cross my eyes until I go blind  
before I go blind

Any time I think you're sad  
I just make a funny face (make a funny face yeah)  
and even when I make you mad  
I put on my funny face (on my funny face)  
I like it when you smile (I like it when you smile)  
I love it when you laugh ( I love it when you laugh)  
I love it when you do it too  
So let me see your funny face (see your funny face yeah)

It tickles me to see  
you trying not to laugh at me  
cause we both know you're not as tough as you seem  
I know you wanna laugh come on  
I know you wanna laugh come on  
I know you wanna laugh come on  
laugh with me, come on  
oh oh

Any time I think you're sad  
I just make a funny face (make a funny face yeah)  
and even when I make you mad  
I put on my funny face (on my funny face)  
I like it when you smile (I like it when you smile)  
I love it when you laugh ( I love it when you laugh)  
I love it when you do it too  
So let me see your funny face (see your funny face yeah)

You stick your tongue out  
I stick mine out too  
You roll your eyes  
and I laugh at you  
you say "I hate you"  
I say "I love you"  
yeah yeah yeah

No matter what you do  
I can't stay mad at you  
And you can't stay mad at me  
So what are we gonna do?  
we'll make a funny face

Any time I think you're sad  
I just make a funny face (make a funny face yeah)  
and even when I make you mad

I put on my funny face (on my funny face)  
I like it when you smile (I like it when you smile)  
I love it when you laugh ( I love it when you laugh)  
I love it when you do it too  
So let me see your funny face (see your funny face yeah)
