

# Prisoner

Nick Carter

Floors so cold, Four walls and a mattress (mmmm)  
I'm closing my eyes, I see you standing in that black dress  
I'm only guilty of loving you  
Keep me locked in a prison if I can't have you  
And the rest of my life will be filled up with madness

Take these chains of love (wrap them around me)  
Set my heart on fire  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner

There's dripping paint on the wall, scraping your name in the plaster  
Trying to find my way to you  
Insight only came to me after (after, after)  
I'm only guilty of loving you (loving you)  
Keep me locked in a prison if I can't have you (can't have you)  
And if they kill me escaping, it's cause I tried to get to you faster  
Why don't you?

Take these chains of love (wrap them around me)  
Set my heart on fire  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner

Spend your life with me,  
I don't want to be released  
Lock me up eternally, loose the key  
Baby please, forever's not enough for me

Take these chains of love (oh take them, just take them)  
Set my heart on fire (oh yeah you know it)  
I'll be your prisoner (I'll be your prisoner) (don't let me out, let me out)  
I'll be your prisoner (I'll be your prisoner) (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner

(Wanna be your, wanna be your prisoner)

Take these chains of love (and wrap them around me)  
Set my heart on fire  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner (don't let me out, let me out)  
I'll be your prisoner
